In applying for membership and by continuing as a member you agree that (i) we may hold and process your personal data including sensitive personal data (as defined in the United Kingdom's Data Protection Act 1988 (the Act)) which you provide to us or which we fairly obtain from another source for the purposes of processing any application for membership, the administration and provision of membership services, providing you with the benefits of membership (including, but not limited to, advice, assistance and indemnity), underwriting, risk assessment, marketing, education, research and audit during your membership and for a reasonable period after your membership terminates or an application for membership is rejected by us or withdrawn by you and (ii) we may share such data with third parties who may also hold and process the data for the same purposes. Under the Act you have the right to ask us for a copy of any of your personal data which we hold.

## Important Information About Direct Debit Payments

If you choose to pay by Direct Debit in instalments, your MPS membership subscription payments will become due and payable on each of the Direct Debit payment dates as notified to you by MPS. The first subscription payment covers your MPS membership between the membership start date and the date of that subscription payment. Each following subscription payment covers your MPS membership between the date of that subscription payment and the previous subscription payment which became due and payable, and if it is the final subscription payment in a subscription period (again as notified by MPS to you) it also covers the period from the date of the subscription payment to the expiry of the subscription period.

If you fail to pay all or any part of your subscription for any period of membership we may suspend or terminate your membership and/or allocate any payments received by us in the manner set out in section 7(a) of the MPS Articles of Association. However, we do not consider failed payments as creating a debt to us since MPS membership is discretionary and, accordingly, we will not take legal action against you for your failure to pay.

Payments made are subject to verification and acceptance of a payment does not of itself confirm membership and/or entitlement to request benefits
